

## TISAX Assessment Declaration

Our company Essex Solutions Germany GmbH has passed a successful TISAX (<https://enx.com/tisax>) assessment. It was carried out for two plants in Germany:

**Bramsche**, Scope ID: SNFT1R, Assessment ID: A5WRPX-1, Address: Engterstraße 34, 49565, Bramsche, Germany

**Bad Arolsen**, Scope ID: S2PPC7, Assessment ID: A5LKC5-1, Address: Korbacher Str. 6, 34454, Bad Arolsen, Germany

For Assessment level 2, LABELS:

- Information with high protection level
- Data Protection, according to EU-GDPR Art. 28 ("Processor").

The reports date is 12.01.2023. and labels are valid until 30.10.2025.

The results are available (on request if not published) through the ENX Portal together with the reference to <https://portal.enx.com/en-US/TISAX/tisaxassessmentresults>

TISAX and TISAX results are not intended for general public.
